In Riverside County CA

In order for many in our communities to travel to their doctors, get groceries and meet other subsistence needs, one-on-one escorted transportation service is required. This is what the TRIP program does well and has been doing in Riverside County since 1993. Please tell your patients, customers, friends and neighbors about this unique and important service AND make a tax-deductible charitable contribution to help keep the vehicles on the road and delivering riders to your office, store or other important destinations.

Please send your donation to: TRIP, PO Box 3097, Beaumont, CA 92223-3097.

Thank You!
